- B)
- i) Activity Name: Weatherization and Conservation Grants
Activity Name: Planning and Administration
 - ii) Distribution and uses of CDBG-R funds will meet the requirements of Title XII of Division A and Section 1602 of the Recovery Act. Priority will be given to projects that can award contracts based on bids 120 calendar days. Housing Rehabilitation, Weatherization and Conservation standards are already in place. The program is ready to be marketed and applications will be accepted on a first come first served basis. CDBG-R funds will generate jobs for contractors as well as create a .5 FTE position to administer this program

Weatherization and Conservation Grant Program will foster energy independence by offering grants to income eligible (LMI) households for weatherization, energy efficiency and water conservation updates. This activity will take place citywide. These eligible activities include:

- ✓ Installation of storm windows and doors
 - ✓ Wall and attic insulation
 - ✓ Conversion, modification or replacement of heating and cooling equipment
 - ✓ Improvements to increase the efficient use of water through faucets and showerheads and repair of water leaks
- iii) This project will immediately create .5 FTE (1 Part Time Job) that will last at least 18 to 24 months. This employee will work primarily on processing applications and coordinating projects. In addition, an unknown number of construction jobs will be created or retained from the 15 weatherization/ conservation projects.
- iv) Additional Activity Information- This activity will promote energy conservation and water conservation as identified above.

- v) The City of Kettering is the responsible organization for the implementation of the CDBG-R activity.
