**City of Kettering Council Meetings Temporarily Relocate**  
Council Meetings will take place in the Recital Hall at Fairmont High School

**2 February 10** – City of Kettering Council meetings will take place in the Recital Hall at Fairmont High School for the remainder of the 2010 year due to renovation at the Kettering Government Center South Building.

“Kettering School officials were generous enough to share their space with us,” says City Manager Mark Schwieterman, “so our meetings only had to travel across the road.”

The February 9 Council Meeting will be the first meeting to take place in the Recital Hall, which is accessed through the main entrance of Fairmont High School.

“We will have signs to help people find us,” says Schwieterman, “this is certainly new to all of us.”

Also new is the fact that, while meetings will still be televised live, some of the technology is different in the Recital Hall from the former Council Chambers. Guests who wish to present pictures or graphics for a presentation to Council will need to bring an electronic version on a flash drive or cd. City staff will work with guests ahead of time to help facilitate this process.

Meetings will continue to begin at 7:30 p.m.
