Plumbing Contractor:

Once again it is time to renew your plumbing registration for the calendar year of 2009. The plumbing registration fee will remain the same as previous years, \$100.00 for a master plumbing contractor and, \$15.00 for a journeyman. You will be able to register for 2009 beginning December 1, 2008. At this time we do not register apprentice plumbers.

The City of Kettering registration allows you to obtain both residential and commercial plumbing permits. The registration also covers plumbing work done in the City of Oakwood.

The City of Kettering plumbing registration ordinance requires a State of Ohio license for master plumber registration and a State of Ohio or City of Dayton license for journeymen registration. A photocopy of a valid State of Ohio or City of Dayton license is required for first time applicants.
