KETTERING PARKS
FOUNDATION

Improving the Quality of Life.

When asked about Polen Farm, many residents are eager to share fond memories of weddings, picnics, business retreats and community events they have attended here. The picturesque 15-acre property boasts a magnificent house that is 150 years old and a barn that is nearly as old. The property is operated by the City of Kettering Parks, Recreation and Cultural Arts Department and has been used as a rental facility since the early 1980's. It is in need of some tender care.

The City has focused on structural improvements, while the home's décor has not received any attention for quite some time. The City of Kettering and the Kettering Parks Foundation are teaming up to raise funds to redecorate and furnish the interior of the house, and we would like your support.

The Kettering Parks Foundation is offering individuals and groups the chance to purchase specially inscribed commemorative bricks for placement in one of our many patios and walkways at Polen Farm. Proceeds from the sale of these bricks will be used to help redecorate the House.

To purchase your Polen Farm commemorative brick, just complete both sides of the attached form and send it and your check to the address indicated. For more information, please call 296-2454.
