Take a break from school and learn something creative and new! Rosewood Arts Centre offers an exciting variety of summer art camps, including drawing, painting, sculpture, clay, photography, dance, theatre, music, creative writing and more! Camps are offered for a variety of age groups.

All camps include class time and a morning snack. Full-day camps include a lunch break and a daily trip to the Kettering Water Park in the afternoon, pending the Kettering Recreation Complex's construction. If the construction schedule conflicts with camps, the trip to the Water Park will be replaced with extended class time. Campers should wear clothes that can get messy in the classroom. Campers must also bring their own insulated sack lunch, beverage, sunscreen and swim gear every day. Art materials, morning snacks and camp T-shirts are included in the camp fee.
