## Youth Volunteer Program

Share your talents by being a youth volunteer in the City of Kettering Parks, Recreation and Cultural Arts Department's special Youth Volunteer program. This program is designed for youth in seventh, eighth and ninth grades who are too young for a full-time job but would like to put their talents to good use and gain experience working with people. Volunteers will be used in many areas, including summer camps, special events, preschool programs and the nursery. All volunteers will work on a part-time basis. Interested students may pick up an application form at the Kettering Recreation Complex. An informational meeting for both parents and interested youth will be on Wednesday, May 13, at 7 p.m. For more information, call 296-2587.
