

CITY OF KETTERING

WHY SHOULD I CARE WHERE MY GARBAGE TOTER IS STORED?

Trash toter's should be properly stored either inside the garage or behind an enclosure; out of sight from the street. This is a big step in keeping your home and community safe and clean. Properly storing your trash containers can prevent unwanted animal activity, decrease crime, and boost community value.

**MAJOR
KEY TO
SUCCESS**

We ask that you become a major key in keeping your community clean, attractive, and safe, while we all continue to make Kettering the ideal community to LIVE, WORK, & PLAY.

Check out Ketteringoh.org/departments/planning-development/pd-videos/ for ideas on screening your toters.
