

KETTERING SAFETY VILLAGE 2016

Kettering Safety Village was founded by the **Kettering Dor-Wood Optimist Club** in 1966. The Dor-Wood Optimist Club continues their sponsorship of this program, designed to teach our youngest citizens how to be safe, to this day.

The **City of Kettering's Engineering Department Safety Section** in collaboration with **Kettering City Schools** is proud to operate this transportation and life safety mini-camp.

Safety Village instructors are joined by Kettering police, fire and school personnel to provide age-appropriate classroom instruction on a variety of safety topics to participants. Children get to practice and reinforce what they've learned at our indoor Safety Village, with child-size replicas of streets, intersections and buildings. Children also participate in a variety of additional activities, including a ride on a Kettering school bus and a "Safe Walk" in a neighborhood. Through classroom instruction and fun and exciting hands-on experience, young children will begin to develop safe habits for a lifetime.

Kettering Safety Village is for children age 5 or 6 and entering Kindergarten in August, 2016.

Children must be able to use the restroom without help.
No snacks/drinks are provided, but there will be water and restroom breaks.

Limited class size is 24 per session. Registration is first come, first served.

Fees: No fee for Kettering Residents/ \$30.00 for Non-resident

Kettering resident status will be determined by the Kettering street address at which the child resides at the time of participation in Kettering Safety Village.

Students enrolled in a Kettering City School District elementary school who complete four of the five days of Kettering Safety Village will receive a FREE bookbag and all of the required kindergarten school supply materials.

Safety Village runs for five days, 2 hours a day, and lasts one week. Sessions will be held in June and July at various Kettering elementary schools. Please consult the website/registration for more details
