

Why Neighborhood PRIDE?

Kettering is a great place to live ... work ... and play! Attractive and healthy neighborhoods improve property values and maintain a strong demand for housing in Kettering.

A well-kept neighborhood says that residents take pride in their community. With pride comes value, beauty and a great image for our city.

In our last survey, 98 percent of Kettering residents said they are satisfied with their neighborhood as a place to live. There are many things to be proud of in our city — our citizens, our schools, our community spirit and of course our neighborhoods. By nominating someone for the Neighborhood Pride Award, you encourage our residents to keep Kettering the place everyone wants to live.

The Neighborhood PRIDE AWARD

The Neighborhood Pride Award recognizes people who have made significant improvements to the appearance of their homes or who have maintained their home impeccably year after year.

Last summer, over 600 properties were nominated for the award and 52 awards were presented. Please nominate your neighbor, yourself, or any Kettering resident you think is deserving of the award. To nominate a property, just fill out the form on the back panel.

All Neighborhood Pride Award winners are publicly recognized at a City council meeting, and an attractive sign is placed in their front yard for three weeks, to let everyone know of their honor!

Neighborhood Pride STARTS WITH YOU!

- Look at your property objectively. Walk out to the curb and view your property as a neighbor or passerby would.
- Check for peeling paint on home and garage areas.
- Check gutters and downspouts for rust or sags.
- Check fences and retaining walls for any needed repairs.
- Check landscaping. Trim evergreens, shrubbery and trees, and plant flowers. Creative and well-maintained landscaping enhances any property.
